5		witch	
6		ditch	
7		catch	
8		lost	
9		watch	
10		shine	
11		match	
12		such	

Game: Go Fitch

Goal: This is a "Go Fish" game. The point is to get as many "sets" as possible. A "set" includes two identical word cards and one picture card of the word. (You can use the three "fish" cards to make a bonus set.)

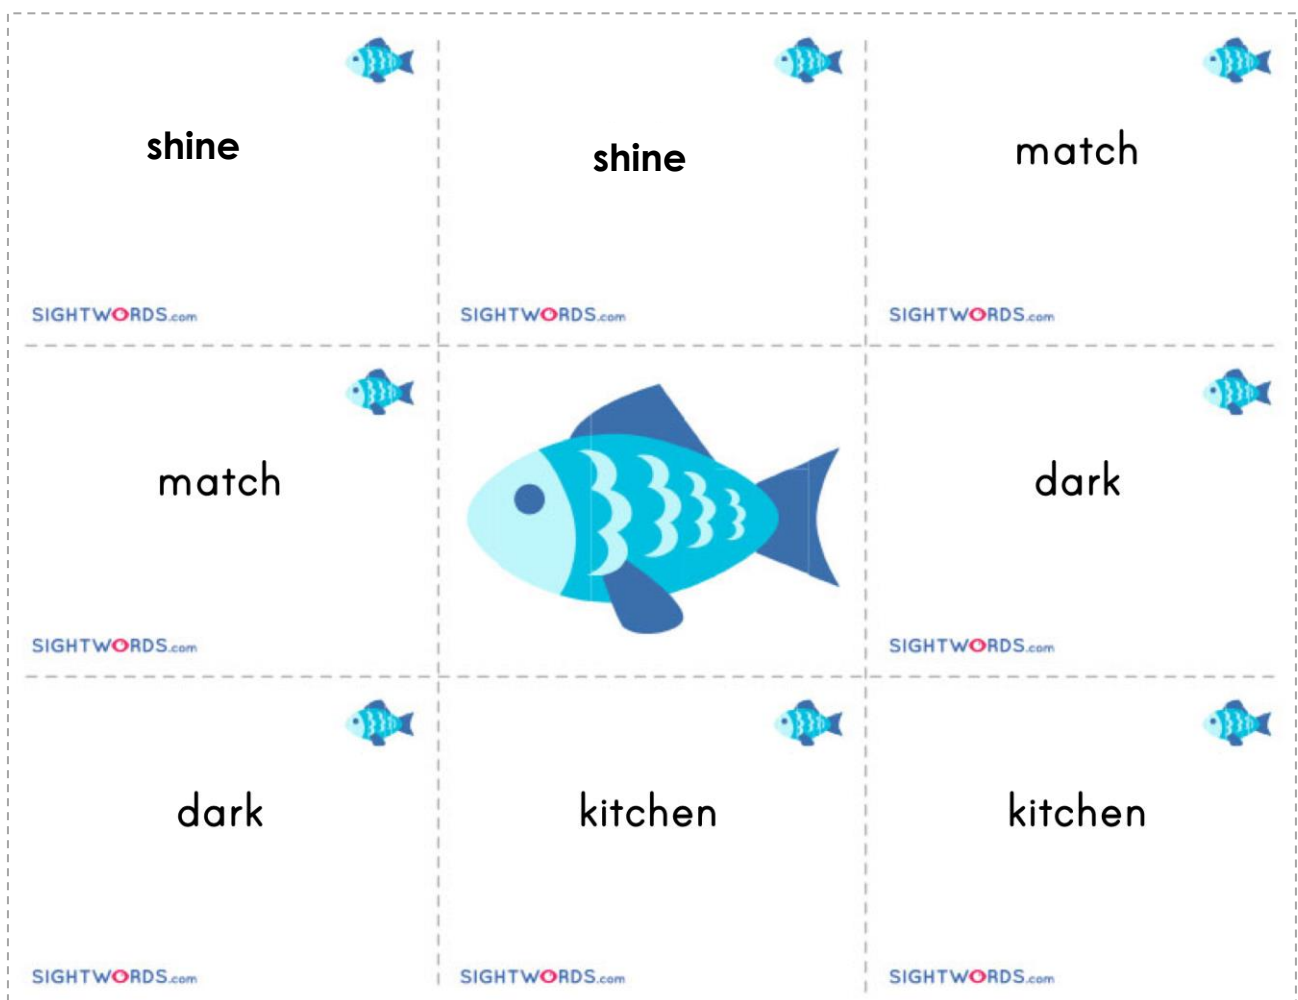

To play: Each player begins with 4 cards. During each turn, a player asks an opponent if he or she has a certain card (e.g. "Do you have 'match?'").

If the opponent has what was requested, they must say, "Yes, I do" and give it to the player who asked for it. If the opponent doesn't have what was requested, they say "No, I don't. Go fish" and the player picks up a card from the pile.

Once a player has a "set", he places it down on the table and says and defines the word.

The player with the most sets wins.

Important: When a player requests a card, he or she must pronounce the word.
