

Ted's Fun Weekend

Ted wanted to have fun on the weekend.
He finished his homework
and planned his fun weekend.

Ted loves to hike. He picked up his
backpack and hiked to the river.
He looked at the water and kicked rocks.

Ted hoped to see some rabbits.
He walked for some time, until he got to
a spot for a picnic. He rested on the
grass and ate a cake his mother had
baked. It tasted good! Ted liked the cake.

As the sun set, his mother called and
reminded him, "It is late!" She asked,
"Are you coming home soon?"

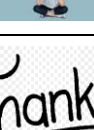

On the path home, Ted met a snake,
got scared, and ran until he arrived home.

At home, Ted told his mother about
the snake. He thanked her for
the cake, kissed her and got in bed
before it was too late.

Game: tic-tac-toe

Preparing the game

1. Print the empty board.
2. Print the word list and cut the cards.

This accommodates two players: player 1 - blue cards, player 2 - yellow cards.

Instructions

The goal of the game is to have a complete row, column, or diagonal of words from the same -ed ending sound.

1. The teacher asks the student(s) to find a word ending with a certain sound: -ed (id), -ed (d), or -ed (t).
2. If the student finds an appropriate word, they can place it on the empty board. If they do not find a word, they lose their turn.
3. The teacher/opponent tries to block the student from getting a complete row, column, or diagonal.

The game can be played in two levels:

Level 1 - Use the colored word cards:

- -ed (id) - red
- -ed (d) - blue
- -ed (t) - green

Level 2 - Use the black word cards.
