

Gal and Greg in the Garden

Gal and Greg hike to the big garden at Gal's grandma's yard. The garden has lots of grass and colorful marigolds.

Gal's grandma has a game for them: "Go find 'g' items in the garden to get a gold star!"

At the garden gate a big black dog slept. Gal and Greg can't get into the garden. They try to make a plan to get in. That dog is scary!

Gal and Greg don't find a plan!!! They stand on the grass by the garden gate. They felt sad! Grandpa comes and brings a gift.

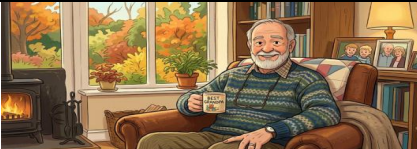

Grandpa said: "Don't be sad! The black dog is friendly. Here is a gift: 'g' animals: a gorilla, a goldfish, and a frog." He opens the garden gate.

Gal and Greg felt glad. They collect "g" items in the garden: a flag, grass, goldfish, a frog, the dog, a bag, a rag! The only gorilla they find is the doll. They get Grandpa's gift and a golden star from Grandma.
