

Today Was My Birthday!\*

My name is Jay.  
It was my birthday today!

On my birthday  
I played all day.

I sprayed water...

and hid in the hay.

I made a picture  
with my crayons...

and played with clay.

I even stayed up late!

All my family was there,  
like for a holiday! Hooray!

\*Teach combination ir (er) - it comes later in Lesson 58 but "birthday" is a word for which we can make an exception!
