

### The Illusionist

It was my birthday and it was a special occasion. I had written invitations to my friends to join me at a magical illusion show.

The illusionist arrived on the stage. He was known to be a character and was wearing a silver cloak and a chiffon scarf. He performed several illusions involving disappearing cards

Suddenly there was an intrusion by a masked man carrying a knife. What did he want? We tried to guess what was happening.

Without warning, there was an explosion which sounded like a bomb going off. Smoke filled the stage and it was as if our vision was blurred.

The theatre filled with tension. What was happening on the stage?!

As the smoke cleared, we could see the illusionist standing there looking at a gnome in the place of the masked man.
