

A Life Journey with Honey, Money, and a Jockey Monkey

One day, a kid locked his house with a key. He took some money and went on a journey.

The kid got some honey with his money for the journey.

On the way he encountered a donkey. On top of the donkey was a monkey.

He was a jockey, in a jersey, playing hockey.

The monkey and the donkey went with that kid on his journey. They never drank whiskey but they ate honey.

The kid grew up to be an attorney. "Okeydokey" said the jockey monkey and the donkey.
