

The Three Cakes

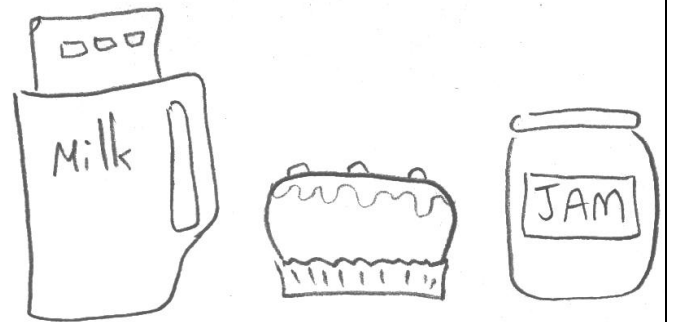

Mum asks, "Thelma, do you want some milk and cake?"
Thelma said, "There is nothing in the glass, Mum! And there isn't any cake!"
Mum said, "There's some milk in the pot. Careful, it's hot!"

Then Mum said, "I think I'll bake a cake, Thelma. I make good cakes. In fact, I'll make three cakes."

A cake with jam on top, a cake with grapes on top and a cake with jelly on top." She made the cakes and put them in the oven.

Thelma thinks the cakes smell good. "I love Mum's cakes. Milk, cake, and jam - yummy!"

Oops, the milk spilt on Thelma's schoolbooks and clothes. Mum said, "Don't cry, Thelma. It's nothing."

Then Mum said, "I think that we will go to the park with the dog, so we can all have a good run. My goodness, three cakes! Too many cakes will make us fat!"
