

The Boy's Cowboy Toy

Dina came to play with Shira one afternoon. They played their favorite game: Royal Family. What a joy!

Then Dina saw a cowboy toy lying on the bed.

"What a cool toy. Let's play with it!" said Dina and grabbed it.
"Nooooo! It will annoy my brother!" shouted Shira.

Then the boy came in and shouted, "No, it's no decoy, it's my real toy. You want to spoil my toy!"

"This is not a ploy, I didn't mean to destroy your toy." Dina added coyly, "You can play Royal Family with us, if your cowboy toy plays too."

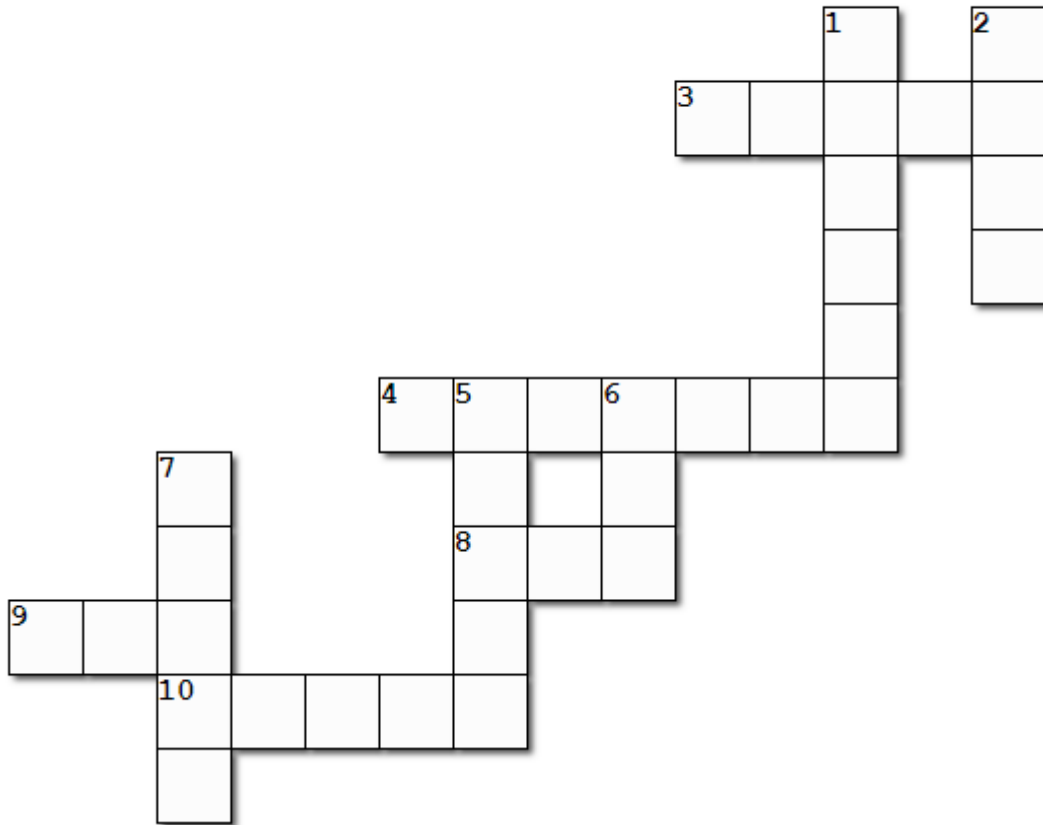

"Ok. Let's enjoy playing Royal Family. The cowboy toy will join the royal family and give us all joy," said the boy.
