

Chopsticks in China

"Do you want cherry cake?" asked the waiter in China. "No, I don't like cherry cake," said the customer. "Do you want chips?" asked the waiter. "No, I don't like chips," said the customer.

"Do you like cheese?" asked the waiter. "No, I don't like cheese," said the customer. "Do you want me to chop up some salad?" asked the waiter. "I don't like chopped salad," said the customer.

The people chatted. The clock chimed. "What do you want to eat?" asked the waiter in China.

"It's 10.30 now," said the waiter. The man lifted his chin, checked the time and his frown changed to a smile. "What do you want to eat?" asked the waiter in China. "Rice!!" said the man. "Fried rice!!"

"Fried rice with chopsticks is very nice." The waiter smiled. His frown changed to a smile. The clock stopped.

"I choose chopsticks and rice. No chips, no cheese, no cherry cake, no chopped salad. Just rice!!!"
