Preparation: Cut out and laminate the boards. Cut out the word cards and place them in a bag.

Materials: Boards, word cards, chocolate chips or other markers.

Conducting the game: Give each player a board and choose a student to be the leader. The leader picks words from the bag and reads them out loud. Players repeat the word and say if it is a long or a short vowel sound.

Put a chocolate chip or other marker upon the words on the cards as players hear them and say them.

When a player completes a horizontal or vertical line on the card, he or she should shout BINGO. Ask this student to read the words back in the line that they have completed. This player is the winner.

When one player has won, continue the game to give other player an opportunity to get bingo.

Everyone is a winner! Everyone gets to eat their chocolate chips!!
