

### A Quiet Evening

Uri is angry at his boss. Uri quotes his dad: "Don't stick with a bad boss."  
So Uri quits his job.

Uri wants to spend some quiet, tranquil time with Aviva.

But she must study for a quiz.\*

"We can go on a picnic. It will be quick,"  
said Uri.

"But it's already quite late," said Aviva.

"Can we go for a drink?" inquires Uri.  
"Then I can help you study."  
"O.K.," said Aviva. "It will be quiet and quite romantic. It's more fun than studying for the quiz alone at home."

\*quiz - an exception to the "zz rule" (one syllable word with 1 short vowel)

### Checkers Game

**To play:** Each player needs 12 checkers (buttons, playing pieces) of one color. Place them on the three rows of white squares closest to you. Play checkers! Each time you move a piece, read the word from the square you leave and the one you land on (and the one you jump, if you are jumping an opponent's piece). If the square contains a picture, recall the word and say it. (You may refer to word list for help.) If you reach the far row containing the crowns, "king" the piece by stacking a second piece on top of it; kings can move on the white squares in any direction.
