

### Greeny and Deeny

A long time ago there was a little green lizard. His name was Greeny. He had a lizard friend. Her name was Deeny.

Greeny loves Deeny but he keeps it to himself.

He doesn't tell her his feelings.

Deeny loves Greeny but she keeps it to herself.

She doesn't tell him her feelings.

Finally, one time, Greeny comes to see Deeny. He invites her to go for a walk. She didn't want to go with him. She will be sad that they are just friends.

Greeny says: "Please come with me. I love you so."

Deeny blushes and asks: "You love me?..."

"Yes!" said Greeny.

"I love you also!" said Deeny.

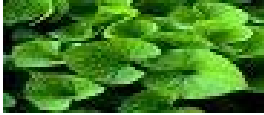

Greeny feels so happy that he kisses Deeny. She blushes.

They go for a walk, sit by a tree and hold hands. They go home, happy and in love.
