Sasha Makes Shapes

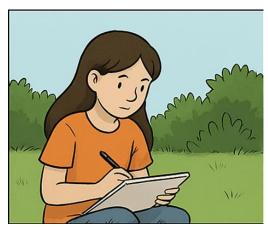

Sasha runs past the red shed.

Behind it is a small shack.

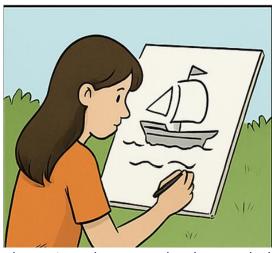

It's quiet there. A good spot for Sasha.

She sits by the shack.
The sun is up and still.
Sasha thinks,
"It's a good time to make shapes."

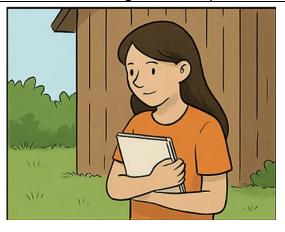

Sasha keeps her pad and a black pen in the shed. She gets them. She wishes to make a shape of a ship with her pen.

She makes shapes: a thin line, a shell and a flag. It's a ship!

A hush comes from the shack. Sasha keeps making shapes.

She holds her pad.
"This is the best spot for making shapes," she said.
