

# The Missing Key

Kelley and Audrey's parents went on a vacation to Turkey, leaving the two sisters home alone for a week.

One day, Kelley came home from school and couldn't find her key to the house. Since Audrey was still at school, she phoned Uncle Mickey who invited her to come for lunch until Audrey returned.

Just then, Barney, their nosey neighbor, approached Kelley and joked that she could always go down the chimney!

Kelley told him she was going to her Uncle Mickey's house for lunch to wait there for Audrey.

Uncle Mickey was a great cook and always made special meals. Today he was making roasted turkey and barley stuffing with garlic and parsley.

Kelley liked to visit Uncle Mickey because he had a lot of pets, including, dogs, cats, fish, a donkey, and even a monkey called Shirley.

When Kelley arrived, Uncle Mickey was watching television. He greeted her as always by giving her a small bag of chocolate coin money.

An hour after eating lunch, Audrey arrived and the two sisters thanked Uncle Mickey and left for home. Happily, Kelley's missing key was found on the kitchen table next to the honey jar.
