

Terror Attack

I must see a doctor!!!
There was a terror attack nearby!
Many visitors were hurt!

Oh really? I was sure it's a rumor!
I hoped it was only black humor...

What's your name? Tell me what happened?

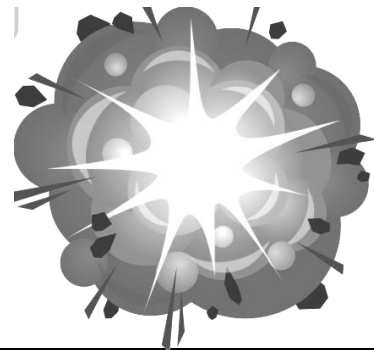

I'm John Junior, the young editor of the local newspaper

I drank a glass of chocolate flavored coffee

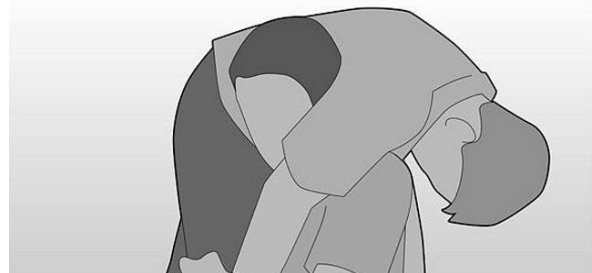

and suddenly there was a very loud explosion

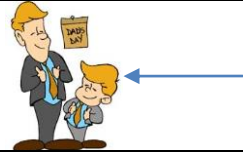

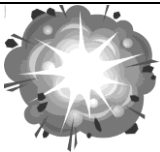

At first I didn't see colors at all!
Now it's better, but I'm still afraid that I was injured badly...

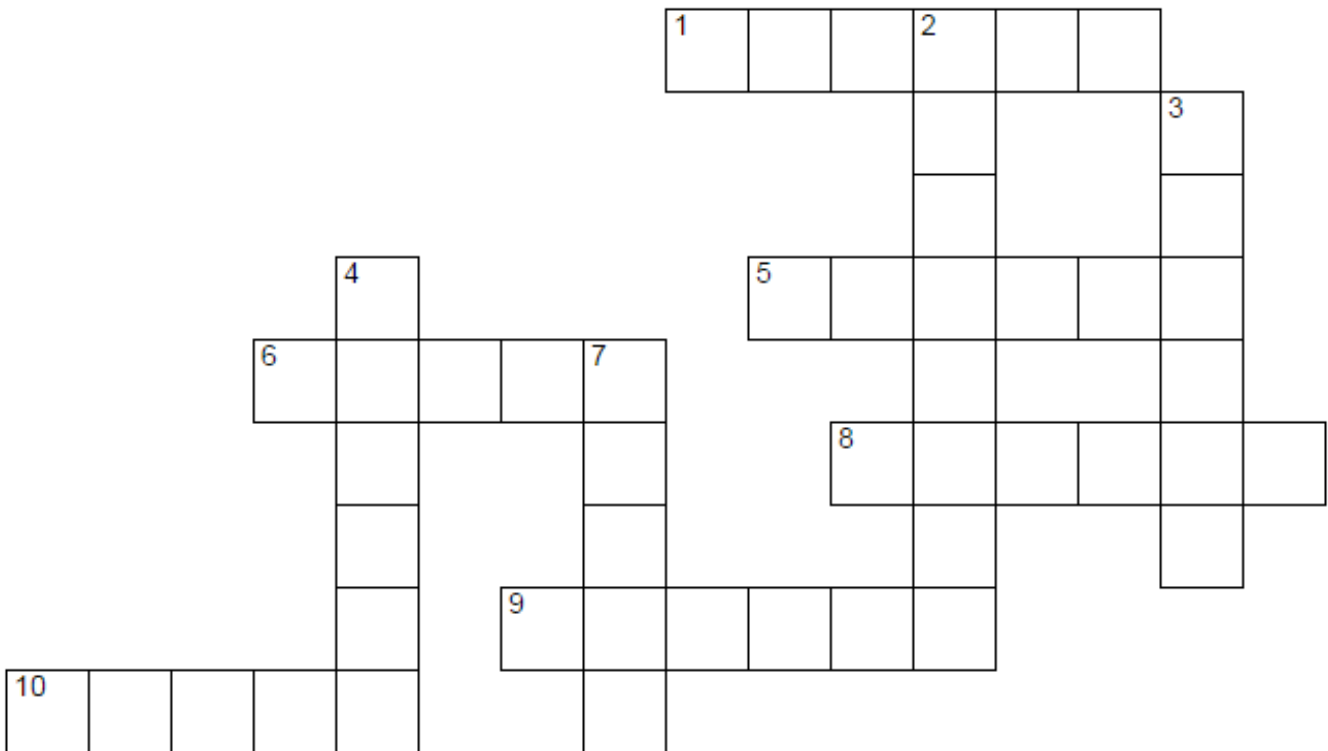

Do me a favor and take me to a doctor ASAP.
