

Game Completed and Over

Dan met Gil skating on the street and invited him to see a football game together.

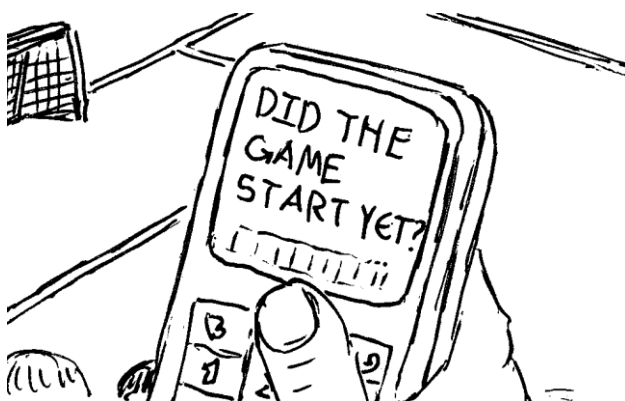

He reminded Gil of his home number and added: "I will bring some snacks!" Gil said, "I will come!" and skated by.

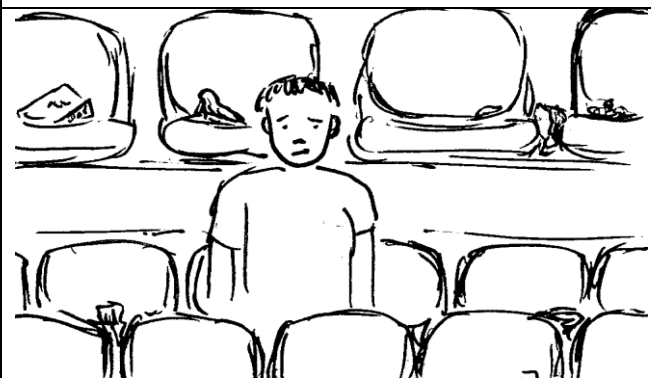

On the evening of the game, Gil didn't feel well. He wanted to call Dan and tell him "I can't come", but he rested in his bed and fell asleep.

The game began, but Gil didn't come. Dan tasted a snack, but Gil didn't come. He needed a drink, but Gil didn't come.

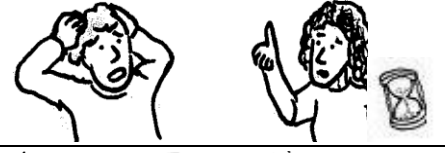

The game completed, but Gil didn't come. Suddenly, Dan got an SMS from Gil, asking: "Did the game start yet?"

Dan said to himself - "The game is completed and over, and the snacks are over...."
