

What Will I Be When I Grow Up?

My father says that I am good with my hands so I should be an electrician.

My mother says the key to my success is to be a physician, a pediatrician or an obstetrician.

My neighbor Joey suggests that I become a politician.

My sister says I can be anything except a beautician, a dietician or a musician.

That's already eight ideas to get me a good pension.

But I still don't know what I want to be, we will have to wait and see...
