

### Grandpa's Farm

Serein is nine.  
She is at her grandpa's farm.  
She likes to be there and hear the  
horse's neigh.

Serein says,  
"Grandpa goes to the farm at eight every  
day."

"My grandpa grows wheat and corn.  
The beige colored wheat and yellow corn  
are ready to be packed."

"Jim, the neighbor's boy, helps Grandpa  
to lift the heavy-weight baskets and put  
them on a sleigh."

Then they sell them at the market.  
Grandpa says, "Make sure you receive a  
receipt for what you have sold."

"Work hard, don't deceive and you'll  
be the best in your job."
