

The Illegal Immigrants

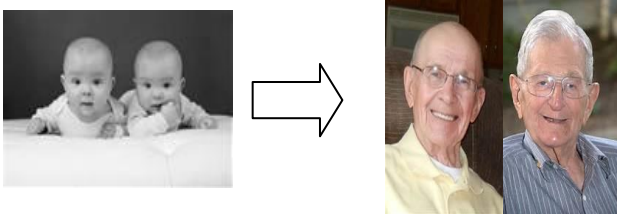

One day, I opened the family photo **album**. It held many photos of **individuals** in my family.

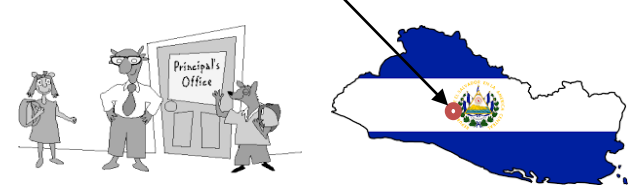

My father came **along** and told me a story about my grand-father and his brother.

These are David and Mike, they are **identical** twins. They were born in El **Salvador**, in South America.

They were **totally loyal** citizens there. Their father was the school **principal** in the **capital** city.

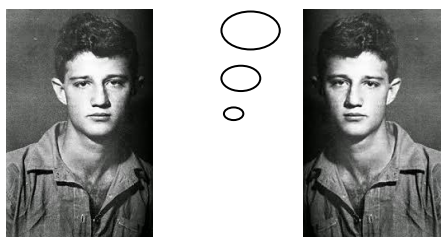

A long time ago, they and their parents **all** made **Aliyah**.

The British didn't **allow** them to enter Israel. So they came with an **illegal** group.

They wanted to see Jerusalem, the **capital** of Israel, and do **manual** work on the land.

Thanks to their principles, we live today in our **national** home land.
