

### Dan and Tom’s Friend in India

1. Dan and Tom go to a safari camp in India. At the safari camp they see big giraffes and elephants. They look for snakes. “Look Tom!” says Dan, “There is a big snake.” Tom panics. He ran and hid in the tent. Dan says, “Come out Tom, no more snakes.” Tom comes out.
2. Tom says, “Ahh! Look Dan, there is a big TIGER!” Dan sees the tiger. Now Dan panics. The tiger attacks their picnic basket. Dan and Tom are mad. The tiger eats their snacks and drinks their Sprite. Tom picks a big stick. He hits the tiger in the eye with the stick. The tiger says Ouch! Ouch! His eye is red and black. The tiger says to Dan and Tom, “Don’t hit me with a stick.” Dan says, “Don’t eat our snacks. We are very hungry.”
3. The tiger feels bad. He is also hungry. Dan says to the tiger, “Come rest and have a picnic with us in the camp.” Tom, Dan, and the tiger rest and have snacks. Now they are friends. THE END
