

### Pope and the Stone Dome

Pope is alone in a cabin on a slope. He finds a stone dome with his dog, Bob.

In the dome, there is a globe, beside it a secret code and a small hole.

He finds a note and a bone in the small hole. The note says: "Play a tone to not be alone"

Pope makes a note on a trombone. He has hope to find hidden gold.

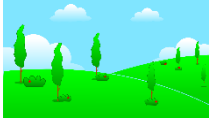

Pope finds a gold stole and a rose.

He says: "I am not a dope; I am a boss in the dome!"
