

### Horizontal and Vertical

Wow, Dan you are so tall!

Yes. I am tall and it is known to all!

Can you climb the wall?

I think I can. I hope I will not fall.

Come on Dan. Try to climb the wall. Don't stall!

Give me a second, Ben. I just ate a schnitzel and meat balls at the mall, and they weren't small.

Oh Dan. Excuses, excuses.

You know what Ben? I don't feel so well. I think I'll go home now and lie down in a horizontal position

You're afraid, ah? OK. Call me when you get back to a vertical status.

OK. I guess I'll text you when I get up.

All your talk of food has made me hungry. I think I'll go buy myself a good Falafel

Haven't you already eaten? I saw you earlier with a big pretzel!

Oh. That was just a snack. I haven't eaten my official lunch yet.

So typical... OK. Talk to you later. Good appetite, Ben.

Thanks! Feel well, Dan!
