

Ariella's Science Project

This is **Ariella**. Ariella likes **science** and wants to be a **scientist** when she grows up.

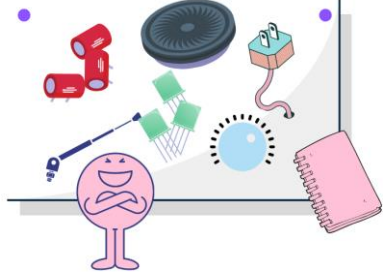

Ariella's birthday is in **January**. What do you think she wants for a present?

Ariella has an **unusual idea**. She wants a **radio**. A **real** old-fashioned radio.

Ariella wants the radio for her science project. Ariella plans on taking apart the radio.

She will keep a **diary** of the process. She will also **create** a display of all of the parts of the radio.

Ariella will present her science project at the science fair. The fair will be held in the Jerusalem **theater**.

Some real scientists from the Hebrew University will be in the **audience**. They will **view** Ariella's science project!

7.		real	
8.		diary	
9.		create	
10.		theater	
11.		audience	
12.		view	

Dominos game for v/v words

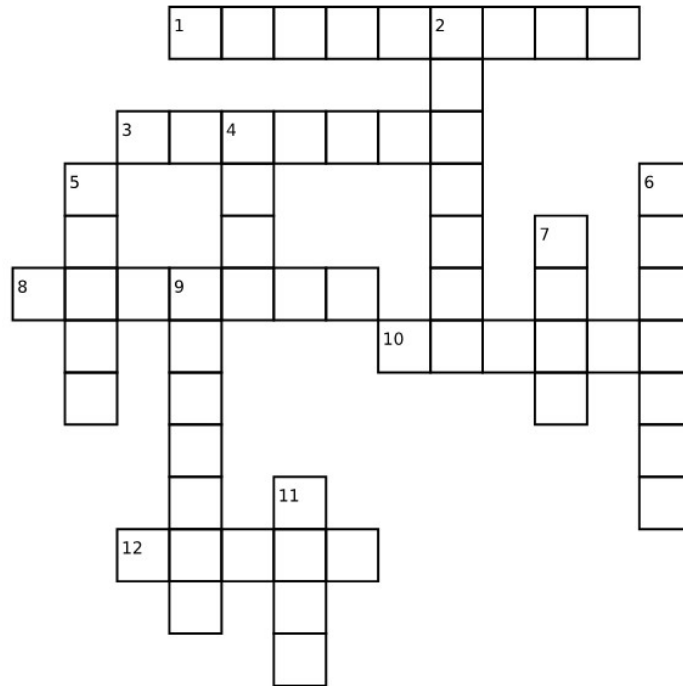

Preparation: Glue the following dominoes onto cardboard or other three-dimensional material that can be cut into pieces. Cut out dominoes on the dotted lines only. (DO NOT CUT on the solid lines.)

Play: Mix the dominoes; each player chooses some. The first player puts one down and the other player has to put down a matching domino to complete one of the words. Read words aloud. If you don't have a match, choose another until you find one. The first person to use up their dominoes wins.
