

My Family Plays

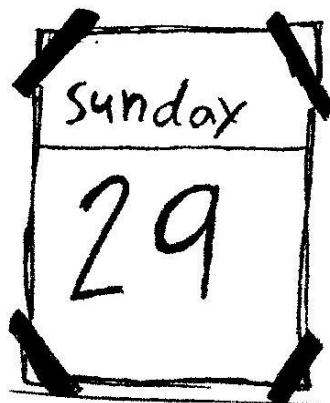

Ray is my brother
and Gay is my sister.

They never play together.

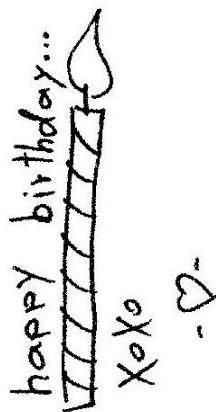

It is Sunday.
I say: "Let's play together."
Ray says: "After dinner."

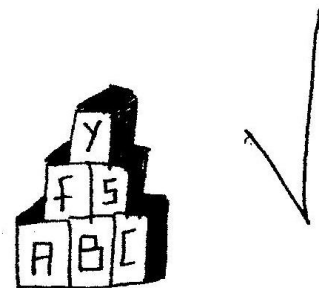

Today is Monday.
I say: "Let's play together."
Gay says: "I want to look at this
book."

"Hey! Do you remember?
Today is my birthday!"

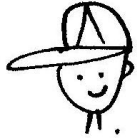

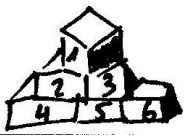

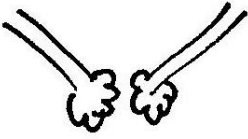

Mother, Father, Ray and Gay say:
"We will all play together for
your birthday."

*Tutor: pre-teach "birthday" as a sight word on the yellow card יום הולדת
