

Bobby's Problem

Bobby had a big problem.
He ate a lot of candy.

Bobby's mom, Sandy, is cross.

One time, Bobby's mom made him
a salad.

Bobby opens his lips and tastes
the salad. "I like it!" he said.

"I'm happy!" Mom said. "It's best
to like salad. Less candy!"

Bobby hops. He is happy. "I'll try
salad, not candy,"
Bobby told his mom.
