

### Shimon at the Shop

Shimon has ten dollars.

Shimon is at the shop

Oh, no! Shimon has a problem.

He lost all his dollars!

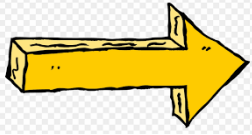

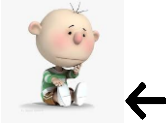

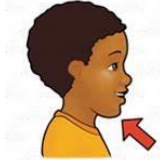

They fell from his hand.

Shimon is sad.  
It's O.K. - Mr. and Mrs. Cohen find them.

## Four in a Row

Play four in a row with a partner. Each chooses a different color marker.

Take turns, read a word and if you read it correctly, you can color it in.

The winner is the person to get four in a row first.
