

# Rhonda the Rhino Keeper

StoryboardThat

Rhonda the Rhino Keeper worked at the zoo.

She was very fond of Rhett the Rhino.

Everyday, Rhonda fed all the rhinos fresh grass and leaves.

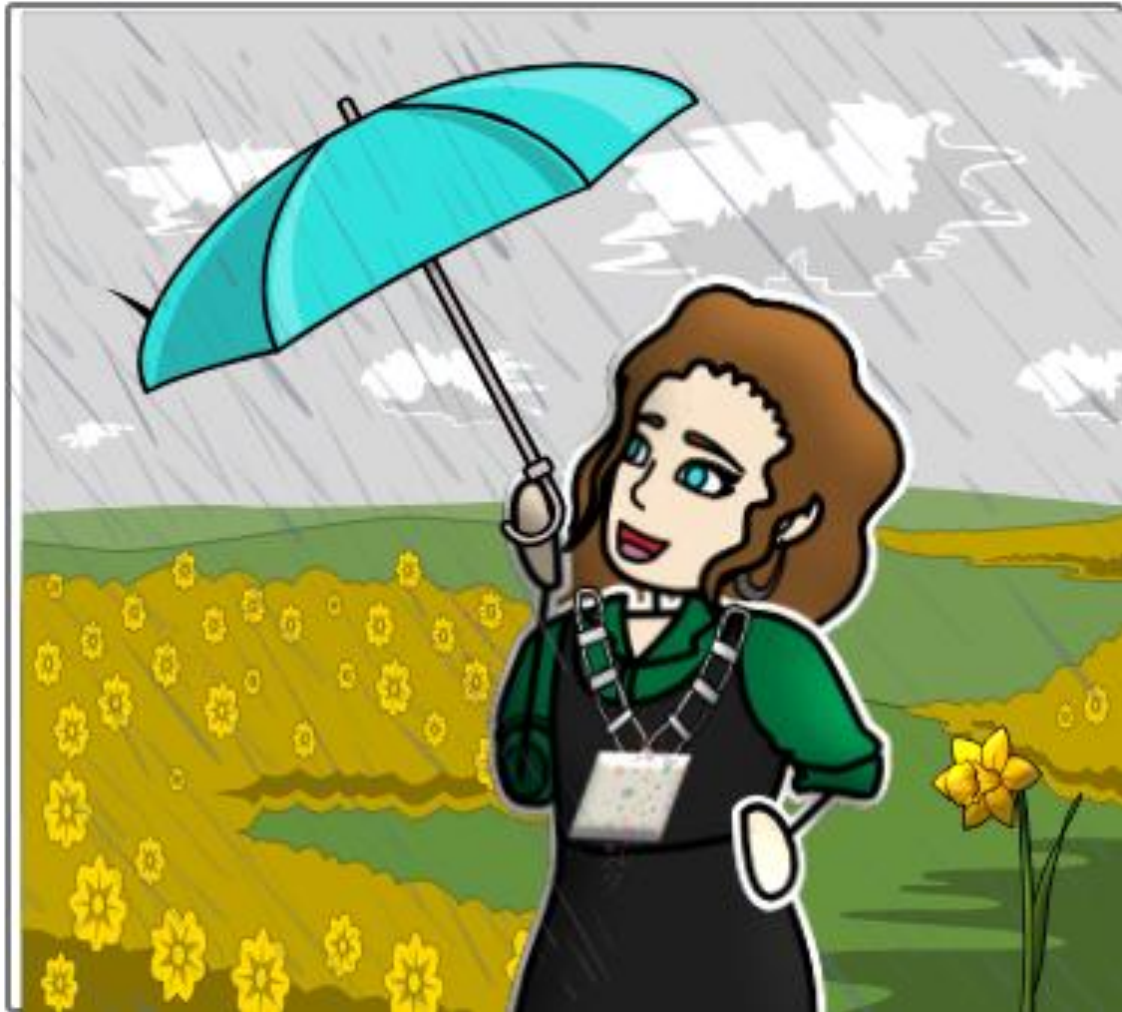

Rhet loved to eat. He tried to eat anything he could find!

One rainy day, Rhett sniffed and poked around for something new to eat.

Now, Rhonda wore a chain made of rhodium with rhinestones. The chain was shiny like rain.

The chain had a small charm. It was in the shape of a rhombus.

Rhett tried to lick the rhodium charm.

But Rhonda said, "No, Rhett! You can't eat that! Rhinestones are not a rhino snack!"

Rhonda said, "Listen, Rhett. A song with rhymes and rhythm. Rhythm is a better treat for both of us!"

Next, Rhett snorted and sniffed around, and he found some rhubarb plants.

Rhonda rushed to the cage to remove the rhubarb --- just in time.

"No, Rhett!" she shouted. Rhubarb leaves are toxic!"

"Poor Rhett," Rhonda said. "I must help you remember what's safe to eat."

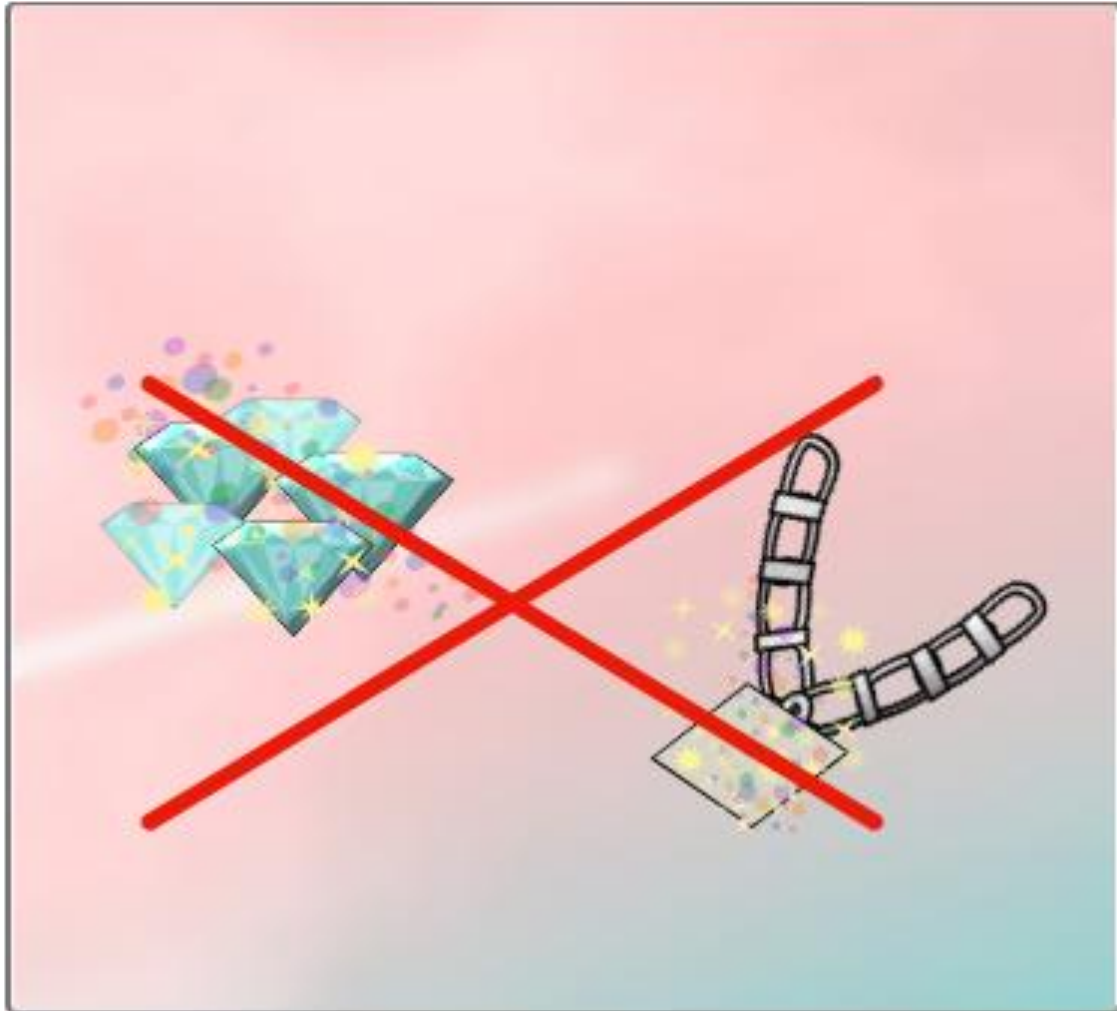

She made up a rhyme to help him remember.

"Rhubarb is a dangerous treat."

"Rhinestones are not good to eat."

"Rhymes and rhythm can't be beat!"
