

## The Swedish Chef

1.

The Swedish Chef wanted to take part in the "MasterChef" show, that was being filmed in Chicago. He really wanted to cook- a dish that wasn't exactly "by the book".

2.

He tried to cook something tasty and nice, but it turned out tasteless and it needed more spice.

3.

The Swedish Chef then turned to his fellow chef for advice and shared with him his goal- to win a big prize!

4.

Together they created a unique recipe that was probably never prepared before, a dish that the judges wouldn't be able to ignore!

5.

MasterChef

The Swedish Chef flew to Chicago, and it turned out to be a great success! He got second place, even won a prize and a bottle of champagne, and had a big smile on his face!

6.

But to his surprise- the prize was a shaver! The Swedish Chef's trademark was his mustache, and he really didn't need this machine, so he gave it to the chef that got third place, who seemed to need it even more than him!
