

The Party at Mrs. Chillis' House

The children's teacher, Mrs. Chilli, is having a party! She lives in a big yellow house. She invites the children from her class. The children all love her very much.

The children play outside the house. It is a cold winter day, and the snow is falling. The children have fun throwing snowballs at each other.

It was a fun party with lots of food! They ate chicken, cheese sandwiches, salad and chips.

Mrs. Chilli loves the children very much. She teaches them how to make a chocolate cake with cherries and peaches.

After the party, the children chatted. "What do you want to do?" asked the teacher. "We want to play in the snow again!" the children said. So they did!
