

Tour to Israel

Hi! Can I offer you a change in your routine for a week or two?

Would you like to go on a tour to Israel?

Of course I would like that, but I have a wounded leg.

Oh, I see.

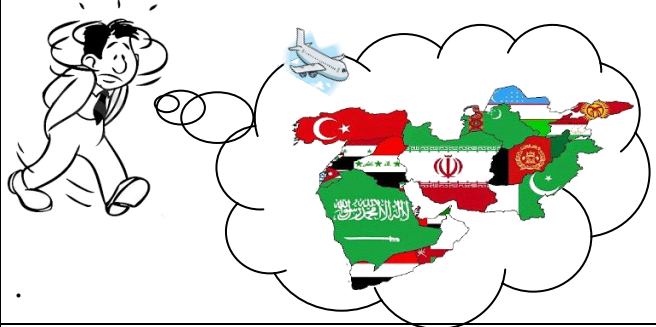

Maybe you should join the second tour to Israel next month.

Youth aren't allowed to sign up for that flight, only older tourists.

Will the flight pass through countries of the world that are in conflict these days?

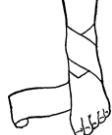

Our route puts safety above all.

So don't you worry at all.
