

A Nice Day in the City

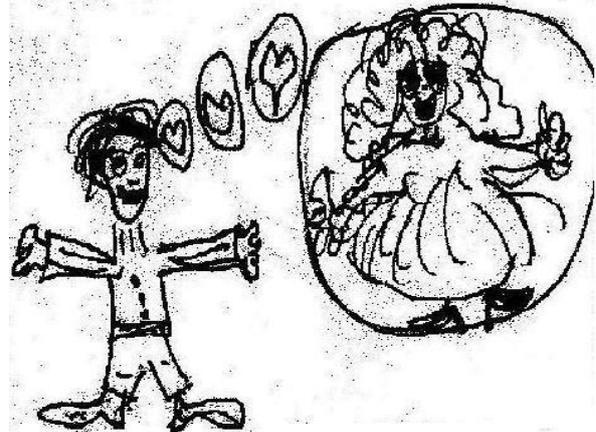

Cy asked Cindy to go with him to the big city.

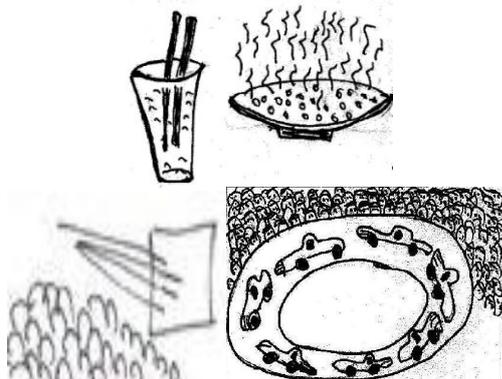

Cindy took her fancy hat. Her face looked so nice in it!

Cindy wanted to go to the racetrack to see the cars race. "It's an exciting place!" she said.

Cy wanted to go to the cinema and see *Cinderella*. "It's so romantic!" he said.

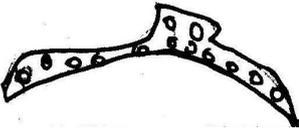

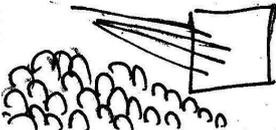

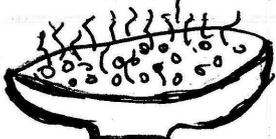

They didn't agree. Cy said, "Let's drink cider with cinnamon, have some spicy rice, and go to both the cinema *and* the racetrack."

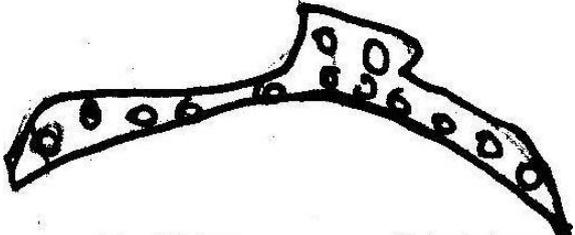

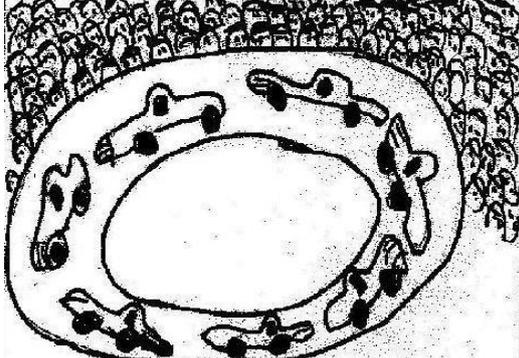

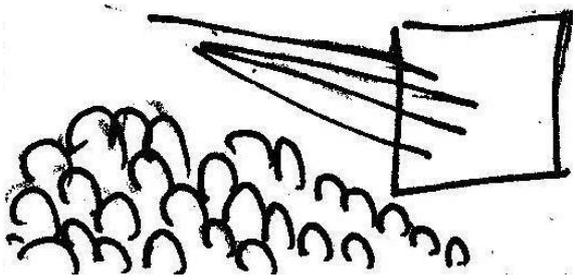

They sat in the racetrack's café, drinking their cider and having some rice. It was a nice place. They anticipated an exciting day!
