

Tom and the Things he Made

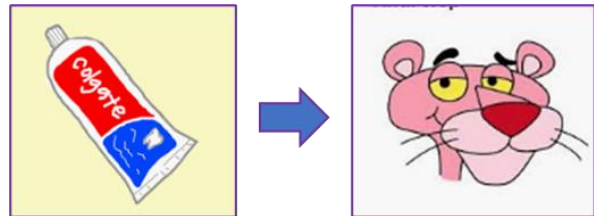

This is Tom. Tom is thirty.
Tom likes to think and make things.
These are things **that** Tom made:

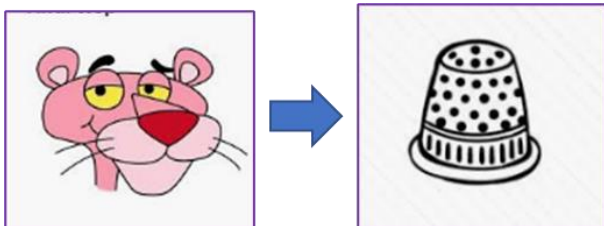

This is the Tooth Fairy!

The Tooth Fairy thinks he can use a tube of toothpaste.

The toothpaste thinks, "the panther has teeth - he needs me!"

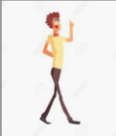

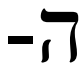

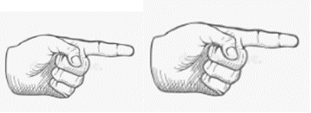

The panther doesn't like to brush his teeth. He thinks he needs a thin thimble.

These are all things Tom made.
Thanks, Tom! You are a good artist.

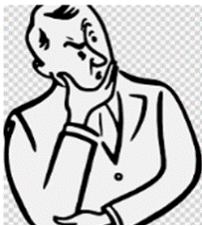

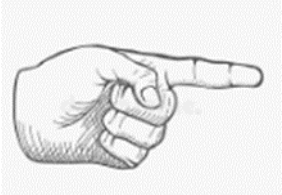

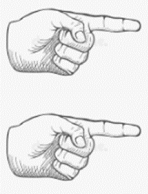

(*) For the words written in **red** the "th" sound is "th-buzz" - stick out your tongue between your teeth and make a hum with your vocal cords.

Game - "Hangman" (six chances)

Number of players: one or in pairs

- 1) Making the vocabulary practice cards (above).
- 2) Listening: With all the white cards open on the table with the words facing up, the teacher spells any word out loud and asks the learner to identify and pick up the right card. In case the learner wants to check the meaning, they can turn the card over to look at the picture on the back.
- 3) Spelling the words: The teacher picks up, randomly, a card and ask the student to spell out loud the word chosen. The student must pay attention to the color of the word to get the right pronunciation (*).

Win/Lose: Win if you guess the word before killing the man. The learner has up to 6 chances to make mistakes.
