

Nell's Orange Duck

Nell has a pet duck. It is orange.

Nell took her orange duck to school in a huge cage.

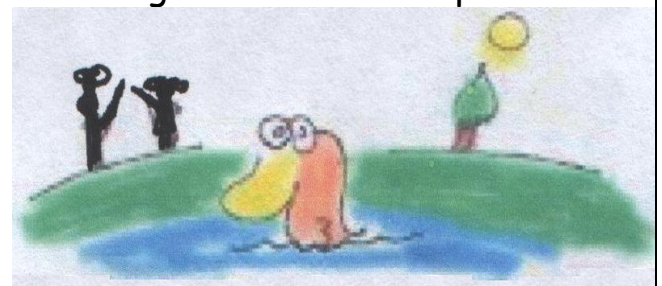

The school's cook looked at Nell's nice orange duck.

"Help!" yelled Nell. "Cook thinks he can cook my orange duck!"

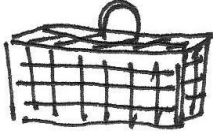

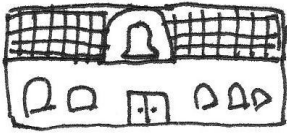

Cook patted the duck.
"Nell's orange duck is a nice pet, not a snack. It's okay!" said Cook.

"See you later, after I finish school today!" waved Nell to her duck.
