

The Dog, the Cat and the Bone

Rose's pet dog, Spot, hid his bone in a big hole, far from his home.

Tom, the cat, came and stole The dog Spot's bone from the hole.

Spot was mad at the cat, so he began to try to go. But he didn't get far alone. A rope held him to his home.

Rose came to help. She said, "Stop that!" She had to help Spot get his bone back! She had a hose to scare off the cat. Tom ran fast to escape the attack.

Spot is so glad that he licks Rose, a big kiss on her lips and nose.

Then, Spot hid his bone by a big stone. This time the hole is close to his home.
