

The Date Cake

Mike bakes a cake.

There are dates in the cake

The cake is in a plate.

Kate likes date cake.
Kate takes the cake!
Did she ask Mike?
She didn't.

She has a picnic by the lake.
Mike takes back the cake.

Help! There is a snake beside the cake!

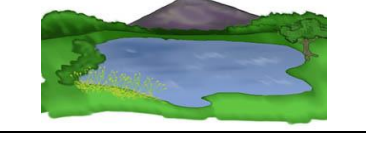

Mistake! The snake is a fake.
It's Mike's fake snake.

Mike ate the cake by himself !

Game: Magic e 4 in a row

Each player alternately places a counter on a square attempting to make a line of 4 of their counters, either vertically, horizontally or diagonally. Before a counter can be placed, the word in the square must be correctly read (or read and translated).
