

### My Party Dress

My cat loves to sleep. She lies around most of the day. Her fur is soft. She prefers to lie in warm soft places.

One day while I was getting ready for a party, my dress was lying on my bed and my cat decided to lie down on my dress!!

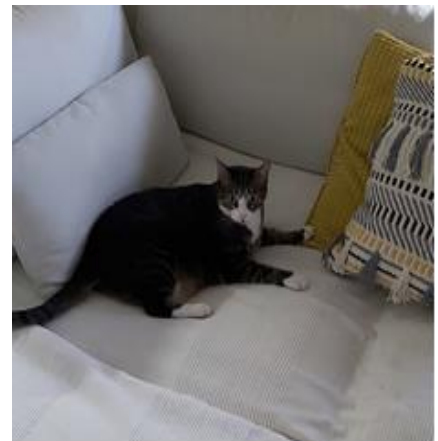

"Oh, no!" I cried. "I want to die!!" With her nails, she tore my dress! What a mess!

I thought that maybe I could tie a scarf over the hole. By tying a scarf to cover the hole, the dress could look nice.

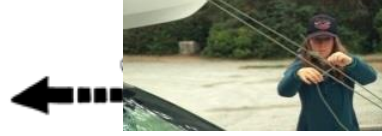

I found a beautiful scarf and tied it over the hole. My dress looked beautiful!

I prefer my cat when she is lying anywhere except on my clothes!
