

Skunk, Mink and Rat Rethink

It's unusual for a skunk and mink to be friends, but Skunk and Mink are pals. A mishap injures Mink. He has a disability.

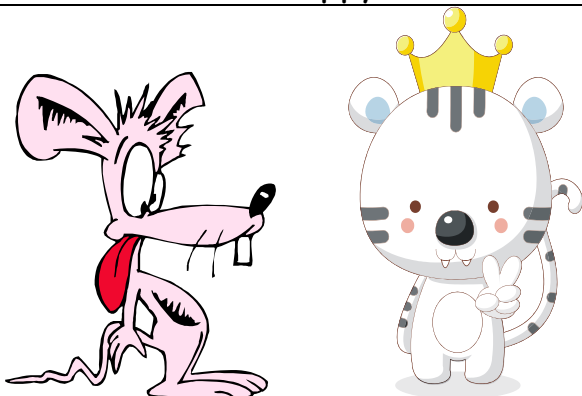

Skunk and Mink go to Rat's skating rink. Rat locks the gate and refuses to unlock it and reopen the rink as usual. He says "Mink is unfit to skate, with this disability."

"Unkind and unjust!" Skunk protests. "You disgust me, Rat! You will regret that you made Mink unhappy!"

Skunk went to the king. "I'd like to discuss Mister Rat's mistake. We must respect, not disrespect, those with a disability!"

The king said, "Skunk is just and kind. Rat, rethink and repent! Mink is fit to skate even with a disability!"

Rat repents and Skunk forgives him. It's unusual for a skunk, mink and rat to be friends - but Skunk, Mink, and Rat become pals.
