

The Late Score

Sam and the kids are still at the cliff. It is late. They aren't back yet.

Nell and Nan stare at the time. "It scares me," said Nan. "Dad is rarely this late."

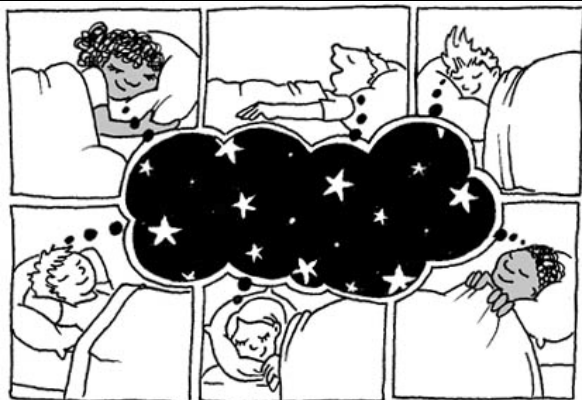

Sam's lateness didn't scare Ken. "Dad isn't careless. I bet they are fine."

Nell calls Sam. Sam said, "The car isn't far. I'll park fast. Yes, the kids are tired."

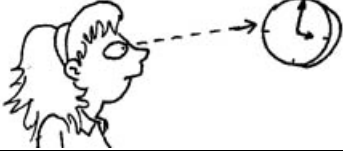

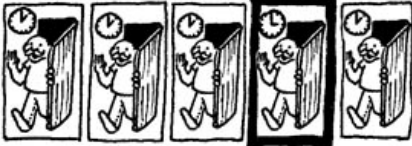

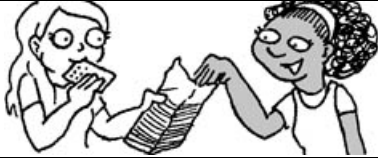

Nell and Nan prepare cake and milk. Sam and the kids came in tiredly. They share the cake.

The kids fell in bed and slept. In their minds, stars shine and flare.
