

Going Camping

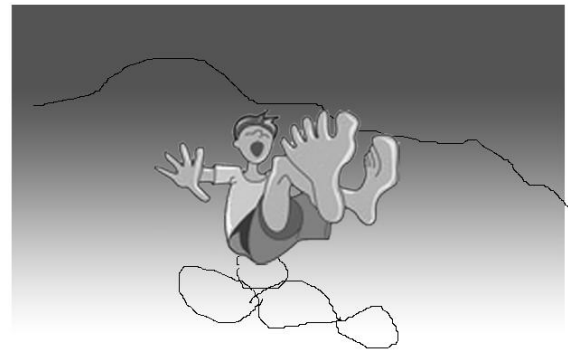

Pat is riding his bike.
His dad rides beside him.
They are going camping.

It is getting late. They stop riding.
They find a spot to camp by a cliff.

Dad is making a tent and Pat is helping him. Pat is bending to test the rope and...

Pat is falling off the cliff!
"Pat, sit and slide!" Dad calls to him.
Pat is sliding onto a pile of stones.

Pat's hand is so sore, he is crying.
Still, Pat is safe. He is not alone.
Dad is helping Pat to stand.

They go back to their tent.
It is finally time for sitting and resting
in their camp.
