

Mr. Clank and the Pink Junk

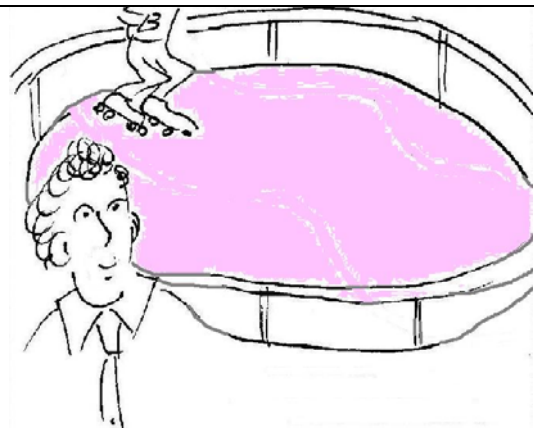

Mr. Clank goes to the bank.
He rubs his eyes - it's all pink!

He had to think, he had to blink.
He thinks to himself, "I want a drink!"

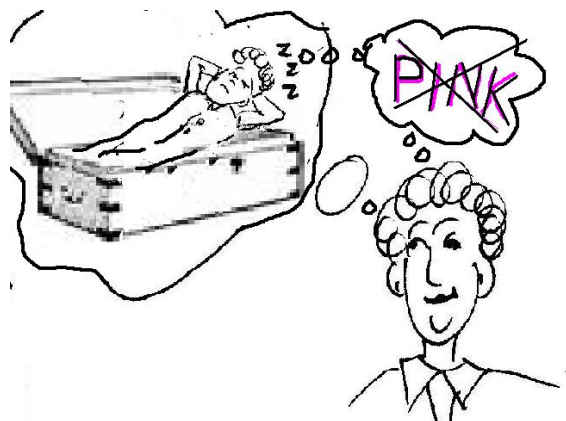

He went into a café -
even the menu was all in pink ink!
So all he did was sit and drink.

Then his drink was gone
so he went to the skating rink.
"Oh, no!" he thinks, "even the rink is all
pink!"

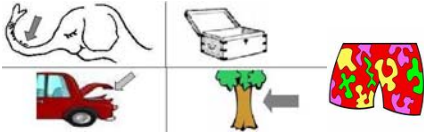

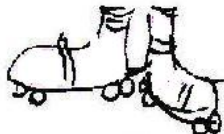

He yells, "The gate, the skates, even the
kids' pants - it's all pink!
I don't get all this pink junk!"

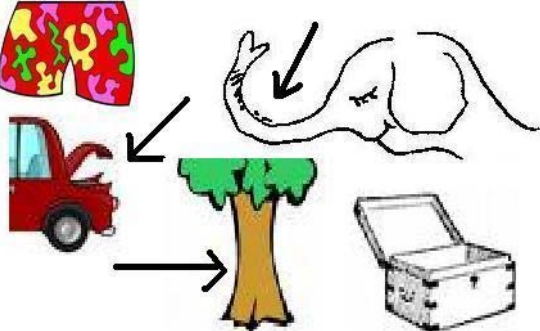

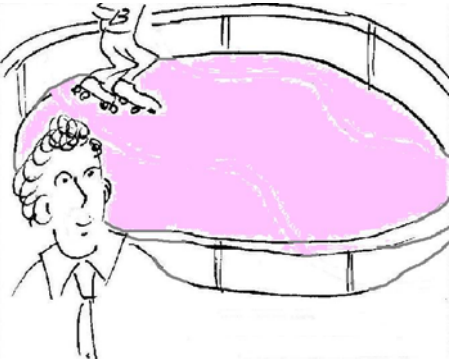

"I want to go back and rest in my trunk.
I hope I'll wake up -
to no more pink junk!"
